Our motivational, Inspirational, Guiding spirit
Late Shri Dinanath Sachan Ji
(9th July 1933 - 23rd May 1973)

We have established this entire education group in the memory of Late Shri Dinanath Sachan Ji, our grandfather, who was known for his hard work and outgoing approach. He always helped the needy and the poor. Our family moved all the way to Kanpur for our education in 1988 and had to face lot of problems just because there were no schools in Kanpur south region. Sensing the need, we established all campuses in Ghatampur, Ramaipur, Kanpur to serve those students who wanted to get quality education and discipline in their area without facing any hardships of traveling far. Our grand father always taught us that patience which is the length of time is better than anything, there is no reason to rush in life, better things come with patience. He was a wonderful role model to many.

- Dr. Saurabh Sachan

ABOUT DDGI

India is a vast and growing economy. An increasing number of Industries, research institutes and manufacturing companies all over the country, is a clear indication of the growing scope in the area of Technology, Pharmacy, Management and Education. There are thousands of young students aspiring to become professionals and most of them work hard for reaching closer to their goal. Unfortunately, it is often not a lack of enough efforts to achieve this dream, but the very lack of opportunities for the realization of this dream. The plain truth is that there aren't as many seats in handful of government institutions offering a professional degree in Technical & Secondary Education. The result is that a vast number of students are stranded between choosing a degree course of schooling from an unaccredited institution or unwillingly entering an altogether different field, not entirely of their liking.

DAYANAND DINANATH GROUP OF INSTITUTIONS with the main object of providing a reasonably priced quality education in the field of Secondary Education, Pharmacy, Management & Teacher's Education has set up Colleges and Schools for which the group has more than 20 acres of land. Established in 2002, in memory of Late Shri. Dinanath Sachan, the group runs and manages institutions from pre-schools to undergraduate and postgraduate colleges.

MISSION & VISION

The MISSION of 'DAYANAND DINANATH GROUP OF INSTITUTIONS' is to be at the forefront of the development of Education competencies through exceptional research, innovating experiential learning, and strategic outreach techniques. We value a culture of team building and learning environment that will encourage and regard both original research and stimulating teaching. We believe in a life-long exchange of ideas and a respect for the diversity of individuals, philosophies and approaches.

Our VISION is that our Institutions should be ranked among the top few private colleges in overall quality and in research, and to be nationally as well as globally recognized for our experiential learning initiatives that develop leaders who excel in creative and innovative solutions to complex problems through people using technology as an enabler. We also envisage our Educational Group providing our students a dynamic Educational environment filled with experiential learning that will challenge their intellect, enhance their skills and prepare them for success in life as well as in the competitive world of business. We also envisage our institutions providing a pipeline of talented and energized professionals who will waste no time in increasing the pride of their organization and the communities they serve.

Message of the Chairman

It is often said that Education is not for living but for life. Yes, education will provide the skill for landing a job, but more important is the values that determine how you live your life, not how you earn your living. At Dayanand Dinanath Group of Institutions we try to infuse this spirit among our students at all stages of their academic growth-primary, secondary, or tertiary-and feel proud of it.

- Yogesh Kumar Sachan
(Patron & Chairman)

Message of the Vice Chairman

Education is a crucial ingredient for a person's professional development. It is the development of skills, knowledge, mind and character of an individual. At the same time the increased complexity and variability of our occupational life has resulted in the need to train a vast number of people for skilled operations whether in the field of technology, pedagogy, management or pharmacy, At Dayanand Dinanath Group of Institutions we tend to do so with the help of professionally trained staff and state-of-the-art facilities. Our Institutions are recognized by the AICTE, UGC, Ministry of Human Research development {Government of India}, and also by the NCTE (National Council of Teacher Education), New Delhi. It is affiliated to AKTU (Dr. APJ Abdul Kalam Technical University), Lucknow for its B.Pharm, M.Pharm & MBA programmes, and to the CSJM University for its B.Ed programme. D.Pharm programme is affiliated to BTE Lucknow. Our DDEC English medium Schools are Affiliated by Central Board of Secondary Education & Indian Certificate of Secondary Education.

Message of Chairperson

“Educating the mind without educating the heart is no education at all”

In order to succeed, we must first believe that we can. Education is the basis of all progress. Its purpose is to inculcate humanitarian values, wisdom, compassion, courage and reliability in students. Academic excellence along with active participation in co-curricular activities complete the process of education and it gives me immense pleasure that the school is progressing in all its endeavours towards the overall development of the students. The seeds of an idea sown in 2002 have quickly grown into strong saplings. The school has marched forward to spread the light of education and paved the path of excellence for every student. It is heartening to see the achievements of the students and the school's progress throughout the year. I hope the school graduates will become leaders of their chosen fields and contribute positively towards the progress of our nation and humanity at large.

Mrs. Archana Sachan
(Chairperson)

Message of Director

I am delighted at the publication of an Information Brochure of DDGI. This organisation is doing an exemplary and outstanding job of providing quality education to raise the technical mindset particularly of the students from the under privileged class of the society, to enable them to attain a respectable share in the competitive atmosphere of our country.

The emphasis on personality development adds an enhanced value to the life of the students, making them more confident to achieve new heights in their career and to contribute to the nation building making India a great country.

I am sure that DDGI definitely would play a dominant role and will prove to be a light house and source of inspiration for other institutions.

Last but not the least, it is worth mentioning that it is the dynamic personality of Dr. Saurabh Sachan, whose analytical approach and foresightedness has made DDGI, and a progressive organisation.

I wish a great success for the publication of this issue.

The world is changing and so are we, but what needs to remain unchanged is the Indian value system. Education without moral values is like a flower without fragrance. Our institution not only aims at keeping pace with the new technology but also teaches the children to inculcate Indian values and culture within them. We emphasize our students to do the work keeping in mind that the nation will constantly rise to higher levels of Endeavour and achievement by their work. We assure that our students are full of confidence, ready to accept challenges and can achieve goal in their life.

DAYANAND DINANATH EDUCATION CENTRE, RAMAIPUR

Affiliated to C.B.S.E. New Delhi

School Overview

Dayanand Dinanath Education Centre (DDEC) is a pioneer institute and was set up by the devoted trustees of Smt. Lalita Devi Dinanath Sachan Charitable Education Trust (LDC Education Trust) with manifold objectives and commitments so as to carve a niche for itself.

Salient Features

- ▶ Perfect blend of traditional pedagogy and modern technology.
- ▶ Computer-aided teaching and Internet support along with imported software.
- ▶ Awards and Scholarships for meritorious students.
- ▶ House-wise division of students to encourage competitiveness.
- ▶ Inspired by the dictum 'Books are the best friends of a man'.
- ▶ Proper and legible handwriting practice through a calligraphy workshop.

Our Aims & Objectives

Our Primary aim is to develop in the students the qualities of integrity, trust, tolerance and compassion; to promote the spirit of inquiry and scientific temperament within the bonds of humanism, to help the students to become a meaningful part of their environment and to develop courage. The pursuit of excellence is encouraged at D.D.E.C. School rests on the positive belief in the wide knowledge in every man to produce work the quality of which should be described as a milestone.

The Curriculum

DDEC is affiliated to the "Central Board of Secondary Education (CBSE)," a widely recognized and highly regarded school board in the country following the 10+2 pattern of education.

At DDEC, we provide an effective framework for education through a relevant, broad, balanced, rigorously-taught and monitored curriculum. We place great importance on educating the 'whole child' at their individual level of ability and potential to ensure a happy learner.

Through a holistic approach towards learning we aim to provide our students with:

- ▶ Requisite knowledge and skills that every child has a right to learn.
- ▶ Learning environment enabling them to learn in a balanced manner, but stretching enough to challenge them and meet their diverse needs.
- ▶ High level thinking skills which will help them tackle many of the moral, social and cultural issues which are part of growing up.

...lots of different groups of people brought together...

- ▶ An environment which allows interaction with peers and assists in development as a social system.
- ▶ Regular assessments and continuous feedback for improvisation in the learning process.

THE ROLE OF PARENTS

1. Parents are expected to co-operate with the school authorities in maintaining punctuality, regularity and discipline.
2. Parents should ensure that their wards take an active interest in the activities in the school.
3. Parents are required to sign their wards, progress reports and return them as required.
4. Parents/guardians and others are requested not to visit any class, or meet any teacher (on the school campus) without the prior permission of the Principal.
5. Parents are requested to inform the school about any change in their address.
6. All communications with the school should bear the name, class and section of the student concerned.
7. Only a written request from the parents to let their child leave before the school closes will be entertained. Parents are advised not to call, or take away, their wards during class hours.
8. Parents-Teachers meetings are held at regular intervals to provide parents and teachers an opportunity to exchange their views on their children.

“Truly, we mean that the student should leave The DDEC INTERNATIONAL SCHOOL as members of an aristocracy, but it must be an aristocracy of service inspired by the ideals of unselfishness, not one of privilege, wealth or position”

Our aim is that our students should achieve highest academic standards. But this is only one aspect of our school. We actively encourage the process of joyful discovery that is central to meaningful and responsible learning. We have a team of dedicated teachers who are expert in their subjects; they hold very high academic expectations of their pupil and care deeply about the well-being of each student. We pride ourselves on our happy and nurturing environment which enables every student to achieve his/her very best.

School Overview

DDEC International School (DDEC-IS) is an ecosystem where intellect thrives and potential become performance.

DDEC International School was established in the year 2006 after success of Junior Branch at Gandhi Nagar, Ghatampur, The State-of-the-Art campus of the school spreads over 2000 Sq.m. of land and the school pathway is positioned as one of the most advanced schools.

DDEC International School is affiliated to the Council for the ICSE / ISC Examination New Delhi. In addition to being adjudged as one of the cleanest schools of the region and placed in the prestigious location in front of Maa Kushmanda Devi Temple Ghatampur, the school has also been the proud recipient of best academic result.

The school follows the ICSE / ISC Curriculum and provides ultramodern infrastructure and highly convivial environment to the pupils, by means of which, it stands as a methodical impartor of futuristic, interdisciplinary and global education. With its faculty members possessing scientific, progressive and technological bent of mind, the school successfully meets contemporaneous as well as futuristic educational needs of the students.

Walking through the campuses of the school, the exuberant and palpable buzz of lively, happy students engaged in learning can be easily and instantly sensed. Keeping in mind the needs of Generation Z, the school has developed an intensive research temperament and works persistently for the development of each child's intellect and character. Moreover the school has robust university and industry connect and functions on backward (K-12) education structure, that ensures the grooming of students for tertiary education.

“What makes DDEC International special is the warm community, the fun and our vibrant heritage... and we get the best result too!”

We Believe in Quality Education and Discipline.

Teaching is considerably individualised and responsive to the talents of each student and the rigorous curriculum integrates the concepts and skills that are entailed in all the major disciplines. Visits, trips, enlightening sessions with experts and special events are blended with the curriculum that provides each child with outstanding opportunities to develop his/her interest in a wide range of areas including music, drama, sports, dance, entrepreneurship, art, etc.

DDEC INTERNATIONAL SCHOOL

An English Medium Co-Education School

A School with a Long Tradition of Academic Excellence and Creativity with an Exceptionally Warm and Supportive Environment

A LONGSTANDING REPUTATION OF DOING OUR BEST FOR EACH INDIVIDUAL STUDENT.

We understand that children of similar age will demonstrate different level of comprehension and expertise within the given subject areas. Small group instruction and personalized attention allow teachers to assess students as they work. We believe that each child rises to meet high expectations. Teachers encourage them to take intellectual risks, grow socially, expand their ideas and investigate central issues. The ICSE / ISC based Curriculum of DDEC International School is developed using these assessments and the required skills for each grade. The curriculum is integrated & interdisciplinary in nature and due emphasis is given on its international aspect to help learners meet the appetite for foreign credentials and employment. Teachers share a conviction that all children are naturally curious and want to learn. The teachers nurture this curiosity and develop innovative and engaging hands-on curriculum to help each child build upon their current understanding of each subject area. At DDEC International School, we create unique and dynamic curriculum which ensures a highly enriching and challenging educational experience as no two children process information the same way. We identify the learning strengths of each child and offer avenues to learn through these strengths.
